HEADMASTER'S WORD

Dear Parents and Guardians,

We are relieved at the news of the resumption of physical classes for all students in the next two weeks. We are preparing the school and ourselves for the safe return to physical school and we look forward to having our wonderful students learning in our classrooms very soon.

Please be advised that as usual, no child will be allowed entry into the gates without a pass issued from the accounts department.

Please note that due to our desire to decongest our entrances on the first day of school for the non-examination grades, we will be staggering their resumption of school. See the dates and times attached.

Wishing you a pleasant weekend.

Obrigado,

D Oswald

STAGGERED STARTING DAYS

To allow smooth starting of school, we are going to stagger the starting dates for non-exam grades as follows:

Monday 30.08.21

Grade 6 & 7 – Examination classes

Monday 06.09.21

Grades 5s and ECD.

Tuesday 07.09.21

Grades 1, 2, 3, and 4 join the rest of the school.

DROP OFF AND PICK UP TIMES

Third term 2021

GRADE	DROP-OFF	PICK-UP	GATE
ECD	7:30-8:00AM	12:00-12:30PM	1
1-2	7:30-8:00AM	12:30-1:00PM	5
3-4	7:30-8:00AM	12:30-1:00PM	3
5-7	7:00-7:30AM	1:00-1:30PM	4

SOCIAL DISTANCING

We note with concern that no social distancing is maintained when collecting children from Pick-up points after school.

It is a requirement that social distance is maintained at all times and we appeal to parents to maintain social distance when collecting children in the afternoon. Please do not bring siblings from the car to collect their siblings as this worsens the congestion.

Thank you.
